We thank all of our students for doing their best on the Milestones Tests. Please remind your child that school is still in session. We will be continuing to learn our state standards for third grade and even begin accelerating students with additional lessons and activities.

ELA – We will be using mentor texts to review reading and grammar taught throughout the year.

Social Studies – We will begin a unit on Geography.

Math/Science – Students will complete STEM (Science, Technology, Engineering, Mathematics) lessons.

Spelling

- | | | | |
